

# “Life After High School”

*The 2010 Transition Event  
Presented by the Johnson County Transition Team*

**Tuesday, March 2, 2010**

**8:30 to 11:30**

**Whiteland High School**

**300 Main**

**Whiteland Indiana**

## **25 minute student breakout sessions!**

**What every job seeker needs to know:** A community employer will talk about the qualities that they are looking for in prospective employees.

**Ready To Learn:** This session is geared toward students who are interested in post-secondary opportunities and supports for students with disabilities.

**Make a Difference:** A special session for Essential Skills students that will provide a hands-on opportunity to sort donated food items for local pantries, while learning about volunteer opportunities in the community. (Essential Skills students will also attend the employer and vendor sessions.)

**Social Skills, Self Esteem, and Employability:** An interactive session that focuses on the importance of social skills and communication in our daily lives, and how the improvement of these skills will enhance self esteem and employability.

**Vendors: Vendors will be in the Large Group Instruction room from 8:30 to 11:30.**

**Special Parent Session: (11:30 to 12:30) “Life After High School” panel discussion hosted by Faith Thomas. This will feature a diverse panel who will share information about vocational, residential, and post-secondary opportunities for students with disabilities.**

## ***DOOR PRIZES!***

**Please bring one canned good or non-perishable item to donate to our local food pantry. Students will sort the items during “Make a Difference.”**
